

ALUMNI ARTISTS

What is an Alumni Artist?

An Alumni Artist is a company/person(s) who are/is associated with the Gate Theatre in an artistic capacity. A person/company who has been employed and/or commissioned by the Gate Theatre or who has graduated from our Young Associate scheme.

These are artists that the Gate are dedicated to continuing a meaningful engagement with by supporting their work and continuing to develop their artistry.

Benefits of being an Alumni Artist

Alumni Artist are invited to the first Saturday performance of every show in the Gate programme with a complimentary ticket; they are also invited to Gate press night and summer parties.

The Gate Theatre will provide an annual workshop for Alumni Artists and an annual networking event with Artistic Director Ellen McDougall.

As well as celebrating and collaborating with them all, Alumni Artists are top of the list when it comes to invitations to see work. Although we are open to invitations from all artists, we have a notice period of 4-6 weeks. Alumni Artists can invite us to work within 2-4 weeks.

Alumni Artists are welcome to book a hot desk space with us, if they would like to work remotely from our venue, we'd be happy to book them in. This can be done through our Projects and Community Officer, Valerie at valerie@gatetheatre.co.uk

In the same regard, Alumni Artists can book the Gate Theatre space, when the theatre is dark or during daytime hours. This can be booked with our Theatre Manager, Hannah at hannah@gatetheatre.co.uk

Lastly, to continue supporting Alumni Artists' work, we are happy to provide a tweet swap agreement. This means sharing and promoting Alumni Artists' work on our social media; to be reciprocated by sharing about our shows and post show events.
